

## PARKSIDE DUNDAS

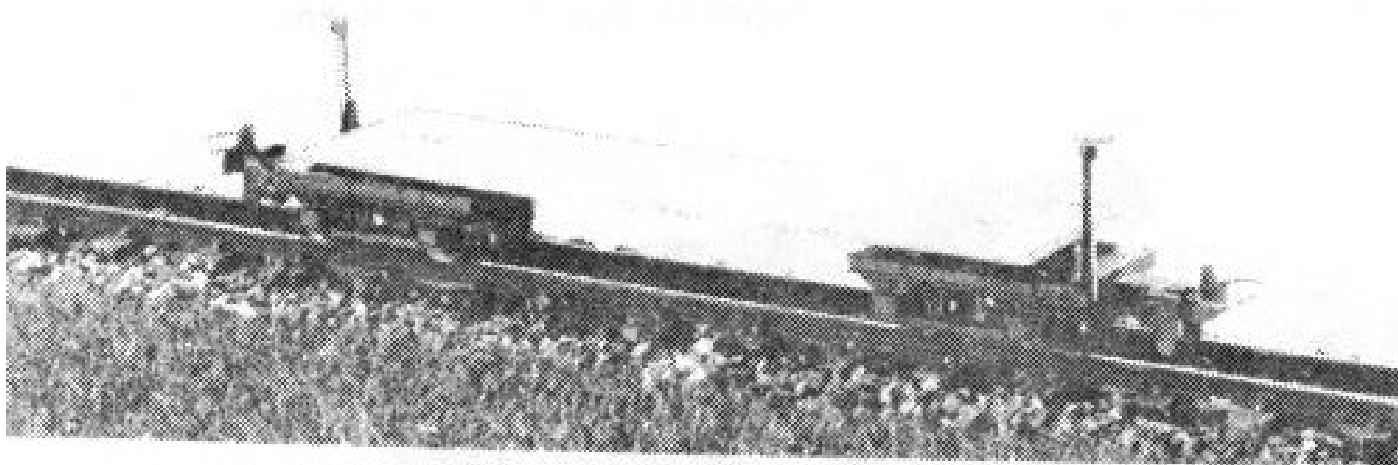

### W.W.1 War Department 60cm Gauge Rolling Stock

These bogies were purchased from the war surplus sales by many railway concerns and could be found under many different vehicles including coaches. Can still be found in use today on many narrow gauge railways.

The kit contains one-piece plastic bogies with Roco metal wheels. Designed to use BEMO 009 couplings (not included).

DM20 W.W.1 War Dept. Bogies (pair)

DM21 W.W.1 War Dept. Bogie Wagon Chassis

Ideal for the scratch builder, this kit contains one-piece plastic bogies with ROCO metal wheels and the floor (68mm x 19mm) from kit DM18. Requires BEMO 009 couplings (not included).
