

PARKSIDE DUNDAS

DM34 Open Two Compartment 4-Wheel Coach
(based on Vale of Rheidol/Glyn Valley practice)

This vehicle has been designed as a companion for our DM17 Vale of Rheidol Guard's Van, DM28 Single Compartment & DM29 Two Compartment 4-Wheel Coaches.

The kit contains plastic body and chassis, metal wheels and white metal vacuum pipes. Requires BEMD 009 Couplings (not included).

DPO2 Accessory Kit to convert DM29 to Brake/Compartment Coach

This kit contains all the parts required to convert our DM29 Two Compartment 4-Wheel Coach into a Brake/Compartment Coach. Parts consist of full dividing wall detailed with vacuum gauge & separate brake handle, window blank, ticket window and guard's duckets. The illustration above shows DPO2 fitted to DM29
