

PARKSIDE DUNDAS

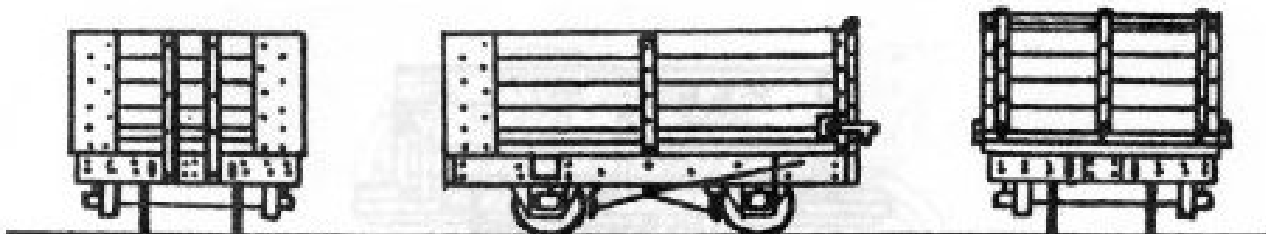

SHOULD BE KEPT

DM35 4-Wheel Goods Van
(based on Glyn Valley)

Although the chassis used in this kit is freelance (our ref. DM5), the body is modelled on the Glyn Valley Tramway van.

The kit contains plastic body and chassis, metal wheels. Requires BEMO 009 Couplings (not included)

DM36 4-Wheel End Door Open Wagon
(based on Vale of Rheidol)

The body of this kit is closely modelled on the Vale of Rheidol open wagon and features separate door catches and internal detail. A separate coal load and metal wheels are included. Kit uses our freelance chassis (DM5) which is included. Requires BEMO 009 Couplings (not included).
