Phil Crathorn, Glengarry Lodge, Glengarry Gardens,
Wolverhampton. WV3 9HX. Tel. 01902 773474

CHASSIS MAKING SERVICE

We now offer the modeller a custom made chassis service.

They come complete with screw-in spacers and wheel bearings.
Also available are custom made coupling rods and connecting rods.

They are produced by the profile milling technique.

Just give us the details (i.e. frame outline, thickness required etc.)
and we will do the rest.

Ring or write for a quote and to discuss details.
