

To calculate the price of an item, multiply the number in the brackets by the current price code. The current price code is:

**55p**

e.g.: The cost of kit W007(12) is : (12) x 55p = £6.60

RED or (2) = 1.10	BLUE or (4) = 2.20	GREEN or (G) = 3.60
BLACK or (K) = 1.40	WHITE or (5) = 2.75	(7) = 3.85
YELLOW or (3) = 1.65	(6) = 3.30	(8) = 4.40

N.B. Unpriced or Uncoded items i.e. ( ) are not available. These items are either in preparation or temporarily withdrawn.
